

Dear Member,

We have shared with members the media announcement on the 2021 IIA International Conference on 14 June 2021.

Notably, the market regulator, Singapore Exchange Regulation (SGX RegCo) is one of the 2021 IIA International Conference's Supporting Sponsors. "Good governance begins at home and internal audit is at the frontline of our system of checks and balances. As the world faces changes and is fraught with more uncertainties, a strong internal audit function will serve as the compass to help companies stay on course," said Mr Tan Boon Gin, CEO of SGX RegCo.

SGX RegCo shared its expectations in its Regulator's Column "What SGX RegCo Expects of Issuers' Internal Audit Function". The publication focused on the IIA's Core Principles 2, 3 and 5 that are applicable to SGX Listing Rules and Code of Corporate Governance Practice Note 10 with respect to the internal audit function. Working closely with SGX RegCo, IIA Singapore will be issuing technical guidance to guide companies in the application of the Core Principles and the adoption of the International Internal Audit Standards.

We encourage you to set aside time to read the message from SGX RegCo [here](#).

You can write to us at [secretariat@iia.org.sg](mailto:secretariat@iia.org.sg) if you have queries regarding the Core Principles.

Thank you.

Goh Puay Cheh, *CIA, CRMA*  
Executive Director  
The Institute of Internal Auditors Singapore
