

There's Still Time to Join Us for This Unique Virtual Experience

Don't miss this opportunity to connect, collaborate, and converge with internal auditors from around the globe for the future of the profession.

The 100% virtual event provides...

- Freedom to attend from anywhere
- Engaging sessions with global impact and immediate applicability
- International exposure and networking via our virtual exhibit hall
- Two viewing options
- Timely topics and real-world solutions
- Up to 18 CPE credits
- Live translation into 16 languages

Take Advantage of Your Chance to Virtually Tour Singapore!

Experience a multicultural dance battle as the opening act!

The four cultures of Singapore come together in a fusion performance that will highlight the impressive cultural dance moves of the country's Malay, Chinese, Indian, and Eurasian communities.

Then enjoy a LIVE hybrid virtual tour!

All attendees will have an exclusive opportunity to take a LIVE hybrid virtual tour of beautiful Singapore, including walking the street of Harmony at Waterloo and going behind the scenes of a coffee roasting factory to learn the difference between local kopi and Starbucks!

Join us virtually as we bring together thought leaders from across the globe to equip the profession with the resources it needs to stay current with the latest developments and scale new heights in bringing significant value to businesses worldwide.
