

## ELEVATE YOUR INTERNAL AUDIT'S IMPACT

Culture and ethics are the foundation of every successful organisation. Yet in today's fast-changing business world, maintaining strong values is more challenging than ever.

At the IIA Singapore Annual Conference, discover how internal auditors can champion these critical elements to drive sustainable growth and build organisational resilience.

Gain fresh strategies, connect with industry leaders, and uncover new ways to influence tone at the top and foster integrity across your organisation.

New updates have been added to the conference. Find out more [Here](#).

### Leveraging Corporate Behaviour as a Catalyst for Growth: Internal Audit as Strategic Advisor

*Speaker*  
**Ross Tilly**

Former Head of Audit, Reserve Bank of Australia and President, IIA Australia

*Moderator*  
**Jennifer Ong**

Chief Audit Officer, National University of Singapore and Governor of IIA Singapore

In today's complex and dynamic business environment, corporate behaviour encompassing culture, ethics, and leadership tone has emerged as a powerful driver of sustainable growth. Internal auditors must go beyond assurance to become catalysts for cultural alignment and organisational integrity. This session explores how internal auditors can shape behaviour, influence tone at the top, and strengthen relationships across the enterprise, while preserving independence and objectivity.
