

MORE WELL-ROUNDED SPEAKERS CONFIRMED

Internal auditors are balancing organisational goals, nurturing their professional network and maintaining a pulse on the latest in technology. That's why we have curated an in-person conference experience to help meet those challenges through a refreshed programme.

Here are the top four reasons you can't afford to miss the conference:

1. Sessions on ESG, cybersecurity, talent management, future of internal audit, among others.
2. Interactive sessions through the lens of industry and subject matter experts.
3. The latest trends and professional issues to stay ahead and remain relevant while getting the most from the solution providers cum exhibitors.
4. Network with peers when you connect formally and informally, and engage in impromptu conversations to learn what's working and what's not.
