

## CELEBRATE WITH US

Dear Member

International Internal Audit Awareness Month is round the corner! Especially during the last two years, internal auditors around the world are experiencing the new norms in the working world which calls for much resilience and agility. We salute their achievements and remember what internal audit stands for.

The impact of Covid-19 on workers and workplaces across the globe have been dramatic. International Internal Audit Awareness Month is also a good time to be 'aware' of our mental health. Join our mental health webinar on 17 May 2022 [here](#), specially organised by IIA Singapore Young Professionals Working Group and discover how you can be 'aware' of our family, friends and colleagues as we help and support each other, to slowly turn adversity into opportunity in time to come. Stay safe and stay healthy!

Let us all come together to elevate the profession! For more information, please contact us at 6324 9029 or email us at [secretariat@iaa.org.sg](mailto:secretariat@iaa.org.sg).
