

CELEBRATE WITH US

• DISCOUNTS FOR MEMBERS • FREE WEEKLY WEBINARS • NETWORKING OPPORTUNITIES

International Internal Audit Awareness Month is an annual event celebrated during the month of May to highlight the profession's commitment to good governance and risk management, and recognise how internal auditors protect the public interest and drive companies forward.

While celebrated every year, 2023 is different from the past few years. We enjoy more freedom and get to organise more activities, both indoor and outdoor. So, for this year's celebrations, whether you are working at home or in the office, we have got just the activity for you!

Home Sweet Home

Every Thursday just for the month of May, stay in to unwind but don't miss out on advancing your professional growth. There will be a webinar every Thursday absolutely free for all IIA members. Stay in the know, but stay in the comfort of your "office home"! And since "home is where the heart is", write your heart out and submit a blog to events@iia.org.sg by 31 May 2023, and stand a chance to win one Free Pass to our Annual Conference on 31 August 2023. Want more chances? Write more!

New Frontiers

Make new friends and meet fellow members at our by invitation only New Members Networking Night on 25 May 2023, sharing your expertise and picking up a pointer or two. But if you are keen on sharing some things a little more personal, get on board IIA Singapore Young Professionals Working Group's (YPWG) networking event in May! More details will be shared by YPWG.

Exclusive Rewards for Members

There is no better time to spread the awareness by encouraging new colleagues and friends to join IIA Singapore. New members signing up in May enjoy [application fee waiver](#), while the application and exam registration fees for the Certified Internal Auditor (CIA) and Certification in Risk Management Assurance (CRMA) exams are at a [20% discount](#). Plus, there is a special [10% off training courses](#) conducted in May. Enjoy these savings only during International Internal Audit Awareness Month!

Indeed, we have much to be proud of, and increased awareness efforts each May allows us to collectively put on display the great value internal audit brings to organisations and the public. Let us all come together to elevate the profession!
