

## CELEBRATE WITH US

As we gear up to celebrate International Internal Audit Awareness Month this May, I wanted to take a moment to express my heartfelt gratitude for your invaluable support as a corporate member of IIA Singapore.

International Internal Audit Awareness Month, observed annually in May, serves as a platform highlighting the critical role internal auditors play in fostering good governance and effective risk management. It is a time when we come together to acknowledge the tireless efforts of professionals like yourselves who safeguard the public interest and drive organisations forward.

### Launch of “Pledge for Good”

In line with this spirit of celebration and recognition, I am happy to introduce our latest initiative, the Pledge for Good. This initiative calls upon companies like yours to align with the fundamental principles of internal audit, reinforcing your dedication to objective assurance, effective risk management, and governance. In this spirit, we invite you to participate in the Pledge for Good.

For your support, your company’s logo will be featured on the IIA Singapore International Internal Audit Awareness Month website. This is complimentary to our members, and your support is much appreciated. To express interest in supporting this initiative, please sign up [here](#).

In addition, we encourage our members to organise their own [International Internal Audit Awareness Month activities](#) within their organisations to highlight their roles and contributions. Please tag The Institute of Internal Auditors Singapore in your social media posts.
