

CELEBRATE INTERNATIONAL IA AWARENESS MONTH WITH US

As May approaches, we are excited to announce that it marks the International Internal Audit Awareness Month - a time dedicated to recognising the pivotal role internal auditors play in advancing governance and managing risks effectively. It is an opportunity for us to come together and acknowledge the unwavering commitment of professionals like yourself who uphold the highest standards of integrity and professionalism in their work.

In line with this spirit of celebration and recognition, we are happy to introduce our latest initiative, the Pledge for Good. This initiative aims to rally organisations behind the core principles of internal audit, reaffirming their commitment to objective assurance, robust risk management, and sound governance practices. We invite all organisations to participate in this meaningful initiative.

For your support, your company’s logo will be featured on the IIA Singapore International Internal Audit By pledging support, a company’s logo will be featured on the IIA Singapore International Internal Audit Awareness Month website.
