

## SEIZE OFFERS TO ENHANCE YOUR SKILLS AND ADVANCE YOUR CAREER

As May approaches, we are excited to once again recognise the importance of Internal Audit Month - an opportunity to shine a spotlight on the vital role that internal auditors, like yourself, play in strengthening governance and managing risks. This month serves as a moment for us to reflect on the unwavering dedication of those in the internal audit profession, who, through their integrity and excellence, uphold the highest standards in their work.

### The "Pledge for Good" Campaign Returns

Continuing our commitment to the profession, we are bringing back the "Pledge for Good" campaign. This initiative invites organisations to align with the core values of internal audit, reinforcing the importance of objective assurance, risk management, and sound governance practices.

We welcome all organisations to take part in this initiative. By pledging support, your company's logo will be displayed on the IIA Singapore [Internal Audit Month webpage](#). This is a complimentary opportunity for corporate members. To get involved, simply sign up [here](#).
