

## MAKE AN IMPACT THIS MAY

As we approach Internal Audit Month this May, I want to take a moment to thank you for your continued support as a corporate member of IIA Singapore.

This annual occasion recognises the vital role internal auditors play in strengthening governance, managing risks, and safeguarding public trust. It is also an opportunity to celebrate the dedication of professionals like you who contribute to organisational success.

### Reaffirm your Commitment with the Pledge for Good

We invite your organisation to take part in the Pledge for Good, aligning with the principles of internal audit and reinforcing your dedication to objective assurance, effective risk management, and governance. As a participating company, your logo will be featured on IIA Singapore's [Internal Audit Month website](#). This recognition is complimentary for corporate members. To get involved, simply sign up [here](#).

We also encourage members to organise their own activities within their organisations to highlight their contributions. You can also promote Internal Audit Month on social media, especially LinkedIn, using specially prepared images, starting in May.
