SHAPING THE FUTURE OF INTERNAL AUDIT | 22 – 24 JUNE 2026

I am excited to share some wonderful news with you. It has just been announced live in Toronto that Singapore will host The IIA's 2026 International Conference, in partnership with IIA Global.

The Conference will take place from 22 to 24 June 2026 under the theme "Transform Internal Audit". This is a proud moment for us, and we look forward to welcoming internal audit professionals from around the world to our city.

As members of IIA Singapore, you can look forward to exclusive savings and special networking opportunities. We will be sharing more details in the months ahead, but for now, I encourage you to mark your calendars and help us spread the word.

Thank you for being part of this exciting journey with us.

Yours sincerely,
Richard Dyason
