

GLOBAL RECOGNITION FOR OCBC AND IIA SINGAPORE

It was a proud moment for IIA Singapore at The IIA's 2025 International Conference in Toronto, where OCBC Group Audit was honoured with the Global Innovation in Internal Audit award - one of the accolades under the 2025 IIA Excellence Awards programme. This recognition celebrates internal audit teams that are advancing the profession through innovation, leadership, and a strong commitment to excellence.

The award was accepted on behalf of OCBC by our Executive Director Richard Dyason during the opening day of the International Conference. Please join us in congratulating OCBC on this achievement.

In addition, IIA Singapore is honoured and appreciative to have been recognised by IIA Global for our contributions to the profession. These include advancing member value through collaboration and shared global learning, serving as the host for the translation review, and promoting excellence in diversity, equity and inclusion. These acknowledgements reflect the collective efforts of our staff, members, and stakeholders here in Singapore, and the continued support of the wider IIA network.

As we look ahead to The IIA's 2026 International Conference in Singapore, we remain committed to championing progress and excellence in internal audit, together.

Thank you for your continued support.

Yours sincerely,

Richard Dyason
Executive Director
