

NEW EXECUTIVE TRAINING FOR CURRENT AND ASPIRING AUDIT LEADERS

Designed for current and aspiring Chief Audit Executives (CAEs), Vision University is The IIA's intensive executive learning programme focused on leadership, strategy, and executive influence.

Held in Singapore alongside the IIA 2026 International Conference, this in-person four-day programme (20, 21, 24 and 25 June 2026) equips audit leaders with practical insights and tools to strengthen internal audit's role as a trusted advisor to the organisation. Through case studies, peer discussions, and expert led sessions, participants will gain perspectives and strategies that can be applied immediately within their organisations.

What you will gain

- Accelerate executive leadership capability in four days
- Learn directly from experienced CAEs and global practitioners
- Develop a practical, ready-to-use action plan
- Network with senior audit leaders from across the globe
- Get the full executive experience at a fraction of the cost with complimentary access to the IIA 2026 International Conference

Vision University (Classic) in Singapore includes complimentary access to the IIA 2026 International Conference. Programme fees are **US\$3,995** for members and US\$4,440 for non-members, with 9% GST applicable for Singapore residents.
