

IMPORTANT NOTICE

The IIA's Certification Candidate Management System (CCMS) is now operational and available for all certifications-related activities.

The enhancements to the new CCMS include:

- Supporting document upload in one location
- Streamlined application process
- Integrated PearsonVUE scheduling for examinations
- On-demand certificate printing

All users are encouraged to log in and verify the accuracy of their contact information and programme status. If, after logging into CCMS, you believe anything is missing or incorrect, please select Help to open a support case.

COVID-19 PearsonVUE Test Center Updates

If you have specific questions about your upcoming examination appointment as it relates to COVID-19 please visit the [CCMS scenarios](#) and the [PearsonVUE COVID-19 page](#) for additional details.

Thank you.
