

HEALTH ADVISORY

In view of the evolving Covid-19 situation, we would like to remind members to continue to stay alert and pay attention to personal hygiene. For those who have travelled overseas in the past 14 days, we ask that you monitor your health condition and seek medical attention promptly if you feel unwell.

All planned courses and events will proceed as usual, unless otherwise advised. The Banking Sector Internal Audit Conference initially scheduled on 27 March 2020 has been postponed. The Institute will be implementing extra measures, including requesting for participants to take their own temperature before attending the course or event, providing health and travel declaration, as well as personal details for contact tracing purposes.

We will continue to monitor the situation and update members accordingly. Participants who have signed up for the affected courses or events will be notified by email on the status of their registration within one week from the course/event start date.

Please refer to official sources such as the Singapore Ministry of Health website or subscribe to the gov.sg WhatsApp, to get the latest updates on the situation.
